- 5.3. Referees from FIFA shall decide on matters including but not limited to match-related disputes, match interruption, connection issues, delays, no show, game forfeit and squad related complaints.
- 5.4. Participating Athletes must be active on the Competition Platform 30 minutes before the official start time and ready to play 10 minutes before the scheduled kickoff time of the first Game. If an opponent has not arrived within 10 minutes before the scheduled time, Participating Athletes are required to contact a Referee on the Matchup chat of the Competition Platform and report the delay. For all consecutive Rounds of one competition day, Participating Athletes need to be ready to play at least 10 minutes before the scheduled kickoff times. Participating Athletes are required to continue to be available to the Referees in case of any delays that may occur and to be ready to play at any time after communicating a later kickoff time.
- 5.5. **Reporting Scores:**
  - a) The captains of the Teams must return to their Fifa.gg match-up and report the final score along with a screenshot;
  - b) Teams must also screenshot the final score screen of each individual game, clearly showing the final score of a match. The process of taking a screenshot on the console is explained in [this article](#);
  - c) If both Teams are disputing the result and neither can provide suitable evidence, both Teams may be given a default loss.
- 5.6. **Connection issues:**
  - a) NAT Type

- i. Athletes should check their NAT Type before competing, this can be easily accessed from the console network settings;
  - ii. Athletes should compete on NAT TYPE 1 (OPEN) or NAT TYPE 2 (MODERATE);
  - iii. If NAT TYPE 3 (STRICT) is used, the Athlete may be unable to connect to opponents and/or fail to hold a strong connection for a competitive game, leading to an automatic match loss or disqualification from the Tournament;
  - iv. The Athletes may be asked to provide the proof of their NAT Type by Admins in the case of a connection failure. Failing to do so will result in a Disqualification. Athletes may read instructions on how to change their NAT Type [‘here’](#).
- b) Communicating connection issues
- i. If the Teams are unable to connect to their opponent, they must both contact Tournament Referee, within fifteen (15) minutes of the start of the stage. Failure to do so will result in both Athletes receiving a loss;
  - ii. The Athletes are required to follow these actions immediately once Admin contact has been made:  
Step A: Teams should swap who invites;  
Step B: Athletes of BOTH Teams must Restart Internet Modem, if Step A did not work;  
Step C: Athletes of BOTH Teams must Restart Router (if connected), if step A or step B did not work; and
  - iii. Repeated connection issues in the same match may lead to a loss for both Teams being applied at the discretion of the Tournament Admin Team.

### 5.7. Match interruption

- a) In the case of any interruption to a match, such as a disconnection from the match or servers, the Teams must first make note of this in the Match Chat before making a new match and playing on from the time remaining in the match before interruption;

- b) If a Game is interrupted, for example, by being disconnected, it must be resumed at the time of the disconnect.
  - i. The score, the minutes played at the time of the interruption, the Participating Team in possession of the ball, and the score shall be noted and communicated with the Referee for evaluation.
  - ii. The Game will be resumed at the time of the interruption and with the appropriate score. Possession shall be awarded to the Team who was in control of the ball at the time of the interruption.
  - iii. The Teams are obliged to reconstruct the situation as best as possible when the Game was interrupted or as instructed by the Admin. The default restart situation shall always be a Kickoff situation. This includes that the Teams must enter the remaining time of the Game with the same in-game line-up and in-game items as at the time of the interruption. The in-game player must be the same as they were at the time of the interruption. The substitutions already made by both Participating Teams at the time of interruption shall remain valid when the Game is restarted. For example, suppose a Team has already made five substitutions at the time of the disconnection. In that case, the Team may not make any more substitutions after the resumption of play and is required to recreate the same substitutions as before to restart the interrupted Game.
- c) If one or both Participating Teams have received one or more red and/or yellow-red cards in the interrupted Game, the following procedure will be applied:
  - i. Yellow cards from the interrupted Game are disregarded.
  - ii. The Game will be resumed 10 in-game minutes prior to the interruption time. The Team who has the home right in the interrupted Game is responsible to set the corresponding correct game time in the game settings.
  - iii. The Participating Team(s) must recreate the red card in those 10 in-game minutes with the in-Game player(s) who received a red card in the interrupted Game.

- iv. The Game may not resume in regulation until the 10 in-game minutes have elapsed and the remaining Game time starts. The Team who was in possession of the ball at the time of the interruption must restart the play from their half.
- v. If either/both Participating Team(s) score a goal in the restarted Game before the red card situation from the interrupted Game has been recreated, those goals will be forfeited.
- d) The Participating Team is responsible for verifying that the opponent has made the correct adjustments and, in the event of any violations, must immediately provide the Referee with proof via the Competition Platform that clearly indicates that the opponent has violated any of the items listed in this Section. Reports must happen immediately, as otherwise, they will not be considered.
- e) Multiple interruptions of a match may lead to a Referee decision being required to determine the result of the round. This decision is up to the discretion of the Referee Team and based on information available to the Referee at that time.

## **6. MEDIA**

- 6.1. The Athletes should record each match-up in its entirety using the built-in recording function on PS5.
- 6.2. The recorded game footage should be uploaded by the Athletes to their personal online Drive and the video link (without access restriction) should be sent via E-mail to the AIFF (efootball@the-aiff.com) by both the Teams (winner and loser) of the match-up, clearly indicating the match-up number, round, stage, opponent and Final Score in the E-mail. This shall be done **WITHIN 2 HOURS OF THE COMPLETION OF THE MATCH-UP**. This shall apply to all the stages, including the ones livestreamed. The recordings must also be saved by the Team until the end of the Tournament.
- 6.3. In the event where a Team does not send the footage within 2 hours after the completion of the match-up as required, the AIFF shall have the right to refer the matter to its Disciplinary Committee for its decision, which may extend to banning the defaulting Athlete from future participation in AIFF related e-sport events.

- 6.4. The Athletes of the Participating Teams shall share their images, as and when requested, for use without limitation in AIFF's website, social media content, newsletters and brochures. The Athletes shall grant AIFF the rights necessary to use their images for without limitation, any future promotional events, training videos or commercial exploitation through the Tournament. The Athletes shall be required to provide their express consent for the same to AIFF during the registration for the Tournament.
- 6.5. No FIFA23 game asset from the Tournament shall be used separately by any Athlete for distribution over social media.

## 7. STREAMING

- 7.1. All match-ups until and including the Semi Finals are intended to be streamed on fifa.gg and/or AIFF's Social Media channels, subject to the streaming capability of the Athletes.
- 7.2. The Upper Final, Lower Final and Grand Final will be streamed across AIFF's Social Media channels.
- 7.3. The Athletes shall share their gameplay as well as their camera feed using the streaming software and hardware suggested by AIFF.
- 7.4. Detailed instructions for setting up the stream will be provided to the Teams by AIFF.
- 7.5. The Athletes shall not stream their gameplay publicly during any stage, to their personal social media page/website or on any other locations or platforms, whether online or otherwise.

## 8. EQUIPMENT AND CONNECTION

- 8.1. It is recommended to connect the console and the streaming setup to TWO different internet connections to ensure that the gameplay is not affected by the streaming data. Both the connections should be WIRED connections (DSL, Cable Modem, Fiber etc.); use of wireless/mobile internet connection is strictly prohibited. The internet speeds required for the wired connections are:  
Connection for the console: Minimum 15 Mbps **Download**  
Connection for the streaming setup: Minimum 15 Mbps **Upload**

- 8.2. In the event the Athlete decides to connect their console and streaming setup to a common internet connection, the minimum internet speeds required for the connection are 25 Mbps **Download** and 25 Mbps **Upload**.
- 8.3. A Connection Score of 65 or above as per the [EA Connection Quality Report Tool](#) is mandatory, else the Athlete and their Team may be debarred from participating in the Tournament.
- 8.4. The Athletes are obliged to provide a screenshot of their internet speeds and connection score whenever asked for by AIFF or the Referees.
- 8.5. The Athletes should arrange a video capture card and a computer with a webcam (in-built or external) for streaming of the Final Matches (Upper & Lower Final, Grand Final).
- 8.6. Only wired headsets/earphones with microphone should be used during the Tournament.
- 8.7. Ethernet cables should be mandatorily used to connect the equipment to internet (and not Wi-Fi) to ensure a steady internet connectivity.

## **9. PRIZE POOL**

- 9.1. The total prize pool of the competition will be ₹3,00,000.
- 9.2. The winning Team of the Grand Final match shall be awarded ₹1,50,000 (₹75,000 each for both the Athletes).
- 9.3. The runner up Team of the Grand Final match shall be awarded ₹1,00,000 (₹50,000 each for both the Athletes).
- 9.4. The Third-placed Team shall be awarded ₹50,000 (₹25,000 each for both the Athletes).
- 9.5. The Teams will be entitled to the prize money only if the Athletes show up and complete all the matches of their qualified stages and fulfil all their obligations towards AIFF, which shall include without limitation full compliance with these Regulations as well as with any other directives issued by AIFF. Also, Disqualified Teams and their Athletes will not receive any prize.
- 9.6. TDS as per applicable rates by Indian government will be deducted.

**10. FIFAe NATIONS SERIES PARTICIPATION**

- 10.1. The Athletes shall agree explicitly, during the registration process of the Tournament, to take part in the FeNS23 if selected, which may involve overseas travel, e.g., for the FIFAe Nations Cup 2023.
- 10.2. In the event the current FIFAe National Squad qualifies for the FIFAe Nations Playoff 2023 through the FeNOQ Play Ins, only the Winning Team of AIFF eFootball Challenge 2023 qualifies to the FIFAe National Squad for the remainder of the FIFAe Nations Series 2023.
- 10.3. In the event the current FIFAe National Team does not qualify for the FIFAe Nations Playoff 2023 through the FeNOQ Play Ins, the Winning Team and the Runner-up Team of AIFF eFootball Challenge 2023 qualifies to the FIFAe National Squad for the remainder of the FIFAe Nations Series 2023.
- 10.4. If any or both the Athletes of the Winning Team or the Runner-up Team is already a part of the current FIFAe National Squad, the qualification spot(s) will not be given to the Athletes of the next best team in the Tournament, unless otherwise deemed necessary for the FIFAe National Squad selection, which shall be at the sole discretion of AIFF.
- 10.5. Being part of the FIFAe National Squad does not guarantee selection to the FIFAe National Team nominated for any stage of the FIFAe Nations Series 2023. Selection to the FIFAe National Team to be nominated for each stage of FeNS23 shall be done in a fair and skill-based manner, collectively taking into consideration the performance of the Athletes in the internal matches played between the FIFAe National Squad members, AIFF eFootball Challenge 2023, FIFAe Friendlies and FIFAe Nations Series 2023 matches.
- 10.6. The selected Athletes, if found to have violated the AIFF Tournament Regulations at any stage of the Tournament, shall be replaced by the next eligible Athlete(s) for the Tournament, as determined by the AIFF.
- 10.7. AIFF retains the final discretion in the selection of Athletes to the FIFAe National Squad and the nomination of the FIFAe National Team for any stage of FeNS23 without giving any reason to the Athletes.

## **11. WITHDRAWAL & CANCELLATIONS**

- 11.1. Entrant Teams as per these Regulations, are not generally permitted to withdraw from the Tournament after completion of their registration process for the Tournament. The same can be done however, after notifying the AIFF. Notification of such withdrawal must be given at least 48 (forty-eight) hours before a scheduled match of that Team, to the AIFF, whatever the reason. The AIFF, through its Disciplinary Committee, may take appropriate disciplinary measures against any Team and its Athletes withdrawing from the Tournament either post registration or mid Tournament on a case-to-case basis. Notification of withdrawal by an Athlete from the Squad after being selected to represent India in FeNS23 through this Tournament, may attract disciplinary measures being taken against such Athlete by the AIFF Disciplinary Committee.
- 11.2. This Tournament or any part of it may be cancelled for any reason at any time by AIFF. Entrants will be given a minimum of 12 (twelve) hours' notice in the case of cancellation. This Tournament or any part of it may also be rescheduled for any reason by AIFF. Entrants will be given a minimum of 12 (twelve) hours' notice in the case a rescheduling of the matches or the Tournament takes place.

## **12. FAILURE TO SHOW**

- 12.1. If no notice of withdrawal has been formally provided by a Team, and in the event that such Team fails to show up for their match or login to the server at the designated time of his match, the Referees may take disciplinary measures against such Teams through its internal disciplinary process and notify that decision to AIFF.
- 12.2. The Team/Athlete may also be sanctioned by the AIFF Disciplinary Committee, if the AIFF deems it necessary, depending on the circumstances of the Team/Athlete and the decision of the Referees.

## **13. LIMITATION OF LIABILITY**

- 13.1 Every participating Athlete's liability under these Regulations shall be determined by the applicable laws and in case of, without limitation, negligence, willful misconduct, defamation of the name or goodwill of AIFF, violence or non-sportsman like behavior on the part of any Athlete or his representatives, appropriate damages shall be claimed by AIFF from such Athlete.
- 13.2 The AIFF's liability will be restricted only to its obligations under these Regulations i.e. those related to the organization, hosting, administering and supervising the Tournament. AIFF shall not be liable

to pay any monetary amounts whatsoever, at any point to any Athlete or third party. No Athlete participating in the Tournament or his representatives or any other third party claiming under or on behalf of the Athlete, shall ever claim any monetary amount from the AIFF or without limitation its affiliates, associates, staff, personnel or contractors in any manner whatsoever.

#### **14. CONFIDENTIALITY & DATA PROTECTION**

- 14.1 In order for the AIFF, the Athletes and the Tournament Staff to perform their roles and obligations as per these Regulations, it may be necessary for them to provide each other with confidential information regarding and not limited to their business practices, personal information, development plans, strategies, club related information and future events (“**Confidential Information**”).
- 14.2 The AIFF, the Athletes and the Tournament Staff shall use any and all information obtained as a result of performance of their roles and obligations as per these Regulations, only in the best interests of the other remaining persons/entity(ies) herein and shall not use it in an unethical manner or for the benefit of any person or entity other than the AIFF, the Athletes or Tournament Staff themselves, or disclose such confidential information without the written authorization of the other remaining persons/ entity(ies) , either during or after the redundancy of these Regulations, unless expressly required to do so under the law.
- 14.3 The AIFF, the participating Athletes and the Tournament Staff may be required to collect, use, transfer, store or otherwise process (collectively “**Process**”) any of the AIFF’s or the Athlete’s or a third party’s information or data that can be linked to without limitation specific individuals, gaming styles, manner of operation, relationship with other agencies and future strategic plans (“**Private Data**”). The AIFF and the Athletes, including all those representing through them or under their name, will be required to Process the Private Data in accordance with the applicable laws and professional regulations in this regard and will at all times, adopt the best practices to fully protect such Private Data and will refrain from divulging any such Private Data to any interested third parties either during or after the non-enforceability of these Regulations, unless expressly required to do so under the law.

#### **15. COMMERCIAL AND INTELLECTUAL PROPERTY RIGHTS**

- 15.1. All commercial rights whatsoever including but not limited to all sponsorship, merchandising, licensing, digital, marketing and media rights related to the Tournament, are exclusively owned and controlled by and therefore, shall be exploited by AIFF.

- 15.2. The AIFF shall be free to contract with any sponsor that it may see fit and the Athletes or their representatives or teams shall not have any right to object to the sponsor chosen by AIFF to partner with, for any reason whatsoever. The AIFF may enter into any type of agreement with its sponsor or partners for fully exploiting its commercial rights under these Regulations and earning revenue from the same in any form.
- 15.3. No participating Athlete, his team or representatives of any kind shall be permitted to do anything which causes an infringement upon the registered trademarks, logos, word mark or any other intellectual property right owned by AIFF. If any Athlete his team or representatives are found to have infringed upon AIFF intellectual property(ies), then AIFF shall take appropriate legal recourse against such Athlete and/or his representatives and may also take disciplinary measures against them to the extent of their dismissal from the Tournament.
- 15.4. Any Athlete or his sponsor or his team's sponsor wishing to engage in any promotional or marketing activities with respect to the Tournament, including advertisements and other promotional material, either before or during the Tournament, will need prior written consent from AIFF, which may be granted or withheld at AIFF's sole discretion.
- 15.5. The Athletes are required to take all measures to protect their intellectual property rights, however such Athletes must ensure that none of their intellectual properties conflict with those of AIFF in any way. AIFF shall not be responsible for the infringement of any Athlete's or his representative's, club's or associates' intellectual property being infringed by other Athletes or other third parties either during or before the Tournament.
- 15.6. Athletes are expressly prohibited to display any brands or promotions through their imagery or through their camera feed during livestreams. Their apparel and equipment should be free of any personal sponsorship branding as well as that of the esports team or organization they represent.
- 15.7. The Athletes shall neither use, exploit or distribute AIFF's Intellectual Property Rights nor shall they permit any third parties to do so or assign to them any such rights without acquiring the express consent of AIFF for the same in writing.

## **16. DISCIPLINARY MATTERS**

- 16.1. An Athlete/Team may raise a protest regarding any disciplinary conduct other than the ones specified in article 5.3 against a fellow Athlete, Participating Team, AIFF or Tournament Staff at any point during the Tournament. Such protest is required to be raised by the aggrieved Team/Athlete, within a period of 2 (two) hours after the conclusion of that Team/Athlete's match. Such protest shall be in written form and submitted to AIFF for further investigation and, if deemed necessary by the AIFF, a decision may be passed by its Disciplinary Committee.
- 16.2. In relation to the protest raised by an Athlete/Team, the AIFF Disciplinary Committee after investigating the matter shall pass a decision which, if found legitimate, shall at the maximum extend to the dismissal of the person(s) protested against either with or without the imposition of appropriate fines and in case of AIFF itself, an appropriate sanction as per the provisions of the AIFF Disciplinary Code may be applied.

## **17. GENERAL TERMS AND CONDITIONS**

- 17.1. By entering the Tournament, the Athletes accept and agree to abide by these Regulations as well as the general terms and conditions set forth by [FIFA](#) and [EA SPORTS](#) for such e-sports tournaments.
