

**REQUEST FOR PROPOSAL (RFP) FOR MEDIA RIGHTS RELATING TO THE 2025/26  
SEASON OF THE INDIAN SUPER LEAGUE**

**CLARIFICATIONS IN RESPONSE TO QUERIES FROM INTERESTED BIDDERS –  
VOLUME I**

Date: 25 January 2026

<b><i>Sl. No</i></b>	<b><i>Reference Section/Particulars</i></b>	<b><i>Revised/ Additional Section</i></b>
1.	The RFP sought bids for the production and broadcast of the Indian Super League during the Term.	<p>Interested bidders may submit bids for the following packages:</p> <p><u>Package A</u>: Production of the World Feed, broadcast (on linear television) and streaming (on a digital platform);</p> <p><u>Package B</u>: Broadcast (on linear television) and streaming (on a digital platform);</p> <p><u>Package C</u>: Broadcast (on linear television) only;</p> <p><u>Package D</u>: Streaming (on a digital platform) only; and</p> <p><u>Package E</u>: Production of the World Feed only.</p> <p>Each Bidder is required to clearly specify the package under which they are submitting their bid in the subject line of the email by way of which they are submitting their Technical Bid.</p> <p>In the event, the Bidder is submitting its Bid for a package that involves more than one (1) element (viz. Package A and Package B), then as part of its Commercial Bid, the Bidder is required to clearly indicate the amount being quoted against each individual element forming a part of the package.</p> <p>In the event, AIFF receives Bids under more than one (1) package, the Selection Process pertaining to evaluation and consideration of the Bids, and the identification and selection of the Selected Bidder shall be conducted independently. However, the mere receipt of Bids under a certain package does not obligate AIFF to identify a Selected Bidder under each package for which they have received a Bid.</p>
2.	Tentative Schedule of the ISL 2025-26	A tentative schedule of the ISL 2025-26 is being annexed to this Corrigendum as Annexure – 1. However, this schedule is indicative and may be utilised by interested Bidders for informational purposes only. The schedule remains subject to change, basis inputs received from the participating Clubs, and a final schedule will form a part of the Contract.
3.	Minimum production specifications	The minimum production specifications to produce the World Feed is being annexed to this Corrigendum as Annexure – 2.

<b>Sl. No</b>	<b>Reference Section/Particulars</b>	<b>Revised/ Additional Section</b>
4.	Commentary in regional languages	It is clarified that the World Feed will only be produced with English language commentary. The Selected Bidder may create feeds with commentary in regional languages at their discretion, subject to AIFF's prior approval (which approval shall not be unreasonably withheld).
5.	Marketing and Promotions Plan	<p>Clause 9.1(e) of the RFP requires the interested Bidder to provide a technical presentation consisting of the production plan, distribution plan and content utilisation plan.</p> <p>In addition to the above, the interest Bidders are also required to provide a marketing and promotional plan surrounding the broadcast of the Indian Super League season 2025-26.</p> <p>It is clarified that such plans forming a part of the technical presentation are required to demonstrate the abilities of the interested Bidder, and AIFF along with the participating Clubs and the Selected Bidder, may finalise such plans on the basis of what has been submitted as part of the Bid, for the consideration of the BEC.</p>
6.	Minimum Broadcasting Obligations	While there is no change in the minimum broadcast obligations described in Schedule 1: Part B of the RFP, in the event the interested Bidders anticipate any difficulties in the match timings proposed in Annexure – 1 to these clarifications and their existing programming schedule, they may submit the same as a duly signed letter on their letterhead, detailing the difficulties along with any proposed solutions for the consideration of the AIFF and the participating clubs.

**Note:**

1. All capitalized terms contained herein but not specifically defined shall be deemed to have the same meaning as contained in the RFP.
2. The amendments/modifications/clarifications contained herein are only meant to amend/modify/clarify the limited clauses of the RFP, as described herein. Nothing shall be deemed to be an amendment of any other portion of the RFP, and all other provisions shall continue to remain in full force and effect.
3. AIFF has received additional queries for which, in its sole and absolute discretion, there are no amendments/modifications/clarifications required. In light of the same, such queries have not been included herein.
4. AIFF reserves its right to amend/modify/further clarify the contents of this document and/or the RFP at any time before the Bid Submission Date.

**ANNEXURE – 1**

**TENTATIVE SCHEDULE FOR INDIAN SUPER LEAGUE 2025-26**

## **ANNEXURE – 2**

### **MINIMUM PRODUCTION SPECIFICATIONS TO PRODUCE THE WORLD FEED**

To ensure a consistent, high-quality broadcast product across all Matches, the production specifications for the Indian Super League should follow a structured, comprehensive framework similar to those previously employed in the Indian Super League and for matches that form a part of the competitions organised by the Asian Football Confederation. This approach will help standardize multilateral world-feed delivery, technical workflows, match coverage principles, and production responsibilities across all venues. The standard camera plan to be employed for the production of the Matches are provided below<sup>1</sup>:

<b>10 Camera Set Up</b>	
S No	Particulars
1.	Eight (8) manned cameras and two (2) unmanned cameras (behind the goals)
2.	Three (3) cameras along the centre line
3.	Two (2) offside cameras
4.	Two (2) unmanned cameras behind either goal
5.	One (1) reverse/VIP camera
6.	One (1) handled camera
7.	One (1) high corner/drone camera subject to feasibility at the venue

---

<sup>1</sup> Detailed camera specifications including lens requirements, platform elevations, etc., will be provided separately as part of the formal clarification process. These specifications will outline the complete technical and operational expectations for every match venue ensuring consistency, clarity, and ease of implementation for all production stakeholders.
